

GREENWAY'S FABULOUS 4 CLEANING RECIPES

From Clean House, Clean Planet

eco-SCRUB (16 oz.)

1/2 cup dr. bronner's castile soap*
2 cups baking soda
1/4 cup distilled water
1/2 teaspoons essential oil (optional)
2 tablespoons white vinegar

*we recommend scented dr. bronner's (peppermint)

INSTRUCTIONS:

Cream soap and baking soda; add water, then oil; then add vinegar. Store in wide mouth tub.

All purpose scrub great on toilets, tubs, sinks, stove tops, hard water marks, and more.

eco-SHINE (24 oz.)

1/2 part distilled water
1/2 part white vinegar
30 drops essential oil*

*we recommend lemongrass, tea tree, or fir needle essential oils

INSTRUCTIONS:

Combine ingredients.

Glass and tile cleaner great on tile, laminate, windows, mirrors, chrome fixtures, and stainless steel.

eco-CLEAN (24 oz.)

1 tablespoon dr. bronner's castile soap*
distilled water
30 drops essential oil (optional)

*we recommend dr. bronner's (peppermint)

INSTRUCTIONS:

Begin with castile soap and fill container with distilled water. If desired, add essential oil.

All purpose cleaner great on appliances, counters, cabinets, walls, and safe on granite.

eco-POLISH (24 oz.)

1 tablespoon light olive oil
30 drops essential oil*
1/3 cup white vinegar
distilled water

*we recommend lemongrass essential oil

INSTRUCTIONS:

Combine ingredients. Shake well before each use.

Wood polish great on wood furniture, hardwood floors, wood cabinets, and wood blinds.
